

Challenge Wales Voyage Schedule 2017

Booking a trip on Challenge Wales

Booking a trip, whether for yourself, for a group or as a gift for someone else is very simple. We are just a phone call or an email away.

How to Book: Identify a sailing trip and contact Challenge Wales to check availability by email: reservations@challengewales.org or phone on 029 20 704 657. Challenge Wales will advise you of availability and timings. Complete your booking form with payment and that's it.

Are there any age limits? Sailing on Challenge Wales is open to those aged 12-75 years and who are reasonably fit. Remember, particular sailing trips are highlighted for certain age groups.

I am aged between 12-15 years. If you are part of a group, school or youth organisation then please ask your group leader to look at the Groups, Schools and Young People section of our website or ask them to request our Young Persons Groups Brochure.

I am aged between 16 – 25 years. You can join Challenge Wales as an individual (you come along on your own with others joining on their own) OR you can join us as youth group. If joining on your own you can take part in some of our more challenging activities.

I am aged 18 – 75 years. Adult adventure voyages range from day sails to longer voyages exploring some spectacular places around the UK & overseas and gives you the opportunity to sail and have fun. If you're aged 18 – 25 years then you are still eligible for bursary funding and more opportunities are available as you will fall into our young persons programme AND our adult adventure programme. Meeting different people with different backgrounds, cultures and ages is all part of the Challenge Wales experience!

What is a Challenge Wales Bursary? A bursary subsidises your berth meaning that you will pay less than the advertised price to sail with us. Anyone aged 12 - 25 years can apply for a bursary from Challenge Wales for any of our sailing activities, whether as an individual or a group for any trip with Challenge Wales. Bursaries might have particular criteria. **Further bursaries may be available or become available at short notice so if you are under 26 years please ask us about this.** *If you are an individual and want to join us on a voyage and you feel you can't pay then we will work with you to get you onboard and help you to fund your voyage with bursaries and fundraising – we like to make opportunities possible for those who see the opportunity and the benefits it can bring!*

Challenge Experience Days are day sails for adults to experience Challenge Wales and an opportunity for those interested in being volunteer crew to have their skills assessed however, school & youth groups can also book these days for young persons sail training activity in which case the boat will be on an exclusive use basis for the group.

FAQ's

Do I need to have sailing experience? No sailing experience is required.

Can I book a trip on a date that isn't shown below? Yes. Challenge Wales is available all year to book for young persons sail training and trips for groups (summer trips, sports clubs, family celebrations), companies (corporate entertaining or team building) and private individuals (sailing with friends, parties etc). Minimum numbers are required for trips. Just let us know which date(s) you are interested in and we will provide you with further details.

Can I buy a sailing experience as a gift? Yes. You can buy a gift voucher which is valid for twelve months.

What do I need to bring with me? Check out the 'What to bring with you' list at the bottom of this document. A full kit list will be sent to you with joining instructions prior to you sailing.

Are you taking part in any races in 2017? YES!! Details are shown in the schedule below. Challenge Wales is taking part in the Tall Ships Races 2017 during the summer and additional bursary funding is often available to all UK residents and overseas residents

for this – with some of it on a first come first serve basis! Ask us for our information pack with all the details and for help with travel arrangements to and from ports.

How do I travel to and from the boat? Most of our voyages are accessible by car or train (in the UK). For our overseas voyages we work with a local travel agent to help you with your flights and transfers. We aim for all our crew and young people to travel together to and from the boat and in some cases with other UK Tall Ships organisations taking part in the same event as us. For many, this is the first time they may have experienced flying to another country

Are there any voyages you would suggest in particular? Taking part in our Celtic Adventure from Cardiff to Belfast is going to be really fun however, the second leg of our Celtic Adventure from Belfast to Aberdeen is going to be taking in some fantastic scenery in the Scottish Highlands as we go through the Caledonian Canal and Loch Ness! This voyage will be a little more relaxed and slower paced but still giving everyone the opportunity to develop their sailing skills. The legs as part of the Tall Ships Races are going to be spectacular and adventurous as we race with 100 other vessels.

Do you give a discount if I book more than one voyage? Yes, you will automatically get a 10% discount off your second leg if booked at the same time as the first for the same season. Day or weekend voyages are exempt from this special offer.
