

## Operations Notice No 1

### Left kit

It is becoming the norm for volunteers to leave some or all of their sailing gear onboard the boat after sailing. This has resulted in 3 crates of unidentified sailing gear being removed to the office for disposal.

This practice cannot continue due to the lack of storage and also for the security of the items themselves. Please ensure that all items of personnel gear are taken away with you when you leave unless you have obtained the express permission from the Skipper not to do so. In the event that approval to leave items is obtained from the Skipper Challenge Wales still cannot be held responsible for the safe keeping of such items.

All items left onboard after any trip, without clearing it with the skipper before hand, will be treated as “Lost Property” and will be removed and later disposed of in accordance with Challenge Wales policy.

**Please take your gear home with you**
