

Operations Notice No 6

Challenge Wales Volunteer Validation Policy

In an effort to improve our standards and to reduce the administration work load for our limited human resources, Challenge Wales has introduced a policy by which crew volunteers must now validate their registration with the charity.

1. In accordance with our current policy, CWM 01 Section 4.2, volunteers are already required to revalidate their registration by either sailing with us on at least one voyage in the preceding 12 months or, when they do sail with us after a 12 month period has elapsed pay the current full fee for a Challenge Experience Day, currently £95. This policy will now be adhered to.

In addition to the above volunteers;

2. must undertake at least one day of non-sailing support, this may be boat maintenance days, assisting with open days at such events as the Bristol Water Festival or at Mermaid Quay, manning a stand at an event or assisting with Volunteer Induction Days.
3. must attend at least one volunteer training day in addition to any other crewing they may undertake during the 12 month period.
4. must undertake a DBS check.
5. must attend a Volunteer Induction Day.

NB; Volunteers who are members of the charity are not required to comply with item 1

Volunteers are also reminded that copies of our policies and procedures are available in our office and onboard the yacht. Volunteers should prevail upon themselves to ensure that they are conversant with them and any amendments then sign and date the record sheet inside the front cover.
