

## Voyage Schedule 2022

### Booking a trip on *Challenge Wales* or *Adventure Wales*

Booking a trip, whether for yourself, for a group or as a gift for someone else is very simple. We are just a phone call or an email away.

**Although most of our voyages are listed below in a long list you can also find our voyages on the [Sailing page](#) of our website themed under different types of voyages.**

**COVID 19 UPDATE:** If you were booked on a voyage in 2020 or 2021 that was postponed, then please get in touch to rebook your voyage as soon as possible.

The Challenge Wales charity operates two vessels: *Challenge Wales* (72 foot round-the world sailing boat) and *Adventure Wales* (60 foot ocean-going sailing boat).

**How to Book:** Please email us at [reservations@challengewales.org](mailto:reservations@challengewales.org). Just identify a sailing trip and contact Challenge Wales to check availability by email. If you want to call us on 02920 704657 then please do. Challenge Wales will advise you of availability and timings. Complete your booking form with payment and that's it. Berths are held for 48 hours to enable you to complete your booking paperwork.

**Are there any age limits?** Sailing on *Challenge Wales* is open to those usually aged 14-85 years and who are reasonably fit. Remember, particular sailing trips are highlighted for certain age groups. Some of our activities such as 'Sea and Tell' activities and shore-side activities may be available for younger ages too. Sailing on *Adventure Wales* is open to 14 – 85. Our shore-side activities are open to most ages.

**I am aged between 12-15 years.** If you are part of a group, school or youth organisation then please ask your group leader to look at the Groups, Schools and Young People section of our website or ask them to request our Young Persons Groups Brochure. If you are aged 14 – 15 years, and based in Wales, then we can offer Agored Cymru accreditation in Teamwork and Developing Confidence. We do sometimes do day voyages for 14 – 18 year olds to come on their own as part of our Boat Camp programme.

**I am aged between 16 – 25 years.** You can join Challenge Wales as an individual (you come along on your own with others joining on their own) OR you can join us as a youth group. If joining on your own you can take part in some of our more challenging activities. If you are joining as a group we can offer Agored Cymru accreditation in Teamwork, Developing Confidence or an Environmental Project depending on duration of trip. We also offer the John Muir Award and DofE Residential and Expedition activities.

**I am aged 18 – 85 years.** Adult adventure voyages range from day sails to races to longer voyages exploring some spectacular places around the UK & overseas and gives you the opportunity to sail and have fun. Some voyages have different age ranges within this, but if you fall outside of the age range and would still like to sail with us please get in touch. If you're aged 18 – 25 years then you are still eligible for bursary funding and more opportunities are available as you will fall into our young person's programme AND our adult adventure programme. Meeting different people with different backgrounds, cultures and ages is all part of the Challenge Wales experience!

**I am aged under 12.** Sorry, unfortunately you won't be able to sail with us but if you under 12 you might be able to undertake a boat visit e.g if you a Beaver group or on one of our public open days when we are tied up on the pontoon. Please enquire.

**What is a Challenge Wales Bursary?** A bursary subsidises your berth meaning that you will pay less than the advertised price to sail with us. [Anyone aged 12 - 25 years can apply for a bursary](#) from Challenge Wales for any of our sailing activities, whether as an individual or a group for any trip with Challenge Wales. Bursaries might have particular criteria, so if one bursary isn't suitable another might be. If we do provide you with bursary funding you will be required to write a short voyage report so that we can send that to the funders so they know how their funding has helped you, and been spent. **Further bursaries may be available or become available at short notice so if you are under 26 years please ask us about this.** *If you are an individual and want to join us on a voyage and you feel you can't pay then we will work with you to get you onboard and help you to fund your voyage with bursaries and fundraising – we like to make opportunities possible for those who see the opportunity and the benefits it can bring!*

**Challenge Experience Days** and **Big Boat Adventure Days** are day sails for adults to experience 72-foot *Challenge Wales* and 60-foot *Adventure Wales* respectively and also an opportunity for those who are eligible to be volunteer crew to have their skills assessed however, school & youth groups can also book these days for young persons sail training activity in which case the boat will be on an exclusive use basis for the group.

**There are a lot of voyages on your schedule, is there a better way to find what I am looking for?** All our voyages are listed below for all our vessels however, if you are interested in only adult day voyages or adult adventures only then you can visit the [ADULT SAILING section](#) on the website. If you are wanting to build sailing miles or explore the coast then visit the [WILDLIFE VOYAGES, COASTAL CRUISES & DELIVERY TRIPS page](#) on our website. If Tall Ships Racing is your thing then visit the [TALL SHIPS RACES page](#), and if you are doing your DofE Award then visit the [DUKE OF EDINBURGH'S AWARD page](#) on the website. The [SAILING page](#) on our website shows all the categories of voyages making it easy to choose!

## FAQ's

**Do I need to have sailing experience?** No sailing experience is required.

**Can I book a trip on a date that isn't shown below?** Yes. *Challenge Wales* and *Adventure Wales* are available all year to book for young persons sail training and trips for groups (summer trips, sports clubs, family celebrations), companies (corporate entertaining or team building) and private individuals (sailing with friends, parties etc). Minimum numbers are required for trips. Just let us know which date(s) you are interested in and we will provide you with further details.

**Can I buy a sailing experience as a gift?** Yes. You can buy a gift voucher which is valid for twelve months. However, during the Coronavirus pandemic the twelve months will be extended to ensure you can use the voucher, so if you've purchased one in late 2019, 2020 and 2021 there will be an extension.

**What do I need to bring with me?** Check out the 'What to bring with you' list at the bottom of this document. A full kit list will be sent to you with joining instructions prior to you sailing.

**Are you taking part in any races in 2023?** We are currently undertaken our planning of 2023 activities and we may be taking part in Round the Island Race (adult voyage) and Tall Ships Races (Young People's voyage). We will have more details at the end of 2022.

**How do I travel to and from the boat?** You are responsible for getting yourself to and from the boat. Most of our voyages are accessible by car or train (in the UK). For our overseas voyages we work with a local travel agent to help you with your flights and we can advise on transfers or you can make your own arrangements. You may wish to investigate travel insurance at the time of booking your berth.

**Do you give a discount if I book more than one voyage?** Yes, you will receive a 10% discount off a second consecutive voyage if booked at the same time as the first for the same season. One day voyages are exempt from this offer. If you are a Challenge Wales Member and a 'Friend of Challenge Wales' then you will receive a 5% discount off all Challenge Wales voyages.

**How do I become a crew volunteer?** [Full details on volunteering can be found on our website](#). Please note our volunteer crew specification can change depending on the volunteers we have so the website is the best place to find out more. Becoming a volunteer does involve commitment and donating a few days of your time as well as attending training activities. You will need to be physical active and mobile to deal with working at sea.
