

## Voyage Schedule 2025

### Booking a trip on *Challenge Wales*

Booking a trip, whether for yourself, for a youth group or adult groups or as a gift for someone else is very simple. We are just a phone call or an email away.

Although most of our voyages are listed below in a long list you can also find our voyages on the [Sailing page](#) of our website themed under different types of voyages.

### How to Book

Identify a sailing voyage or just enquire by emailing: [reservations@challengewales.org](mailto:reservations@challengewales.org) or call on 029 20 704657.

We'll check availability, advise you of timings and further information on the voyage and then just complete your booking form and payment. Joining instructions are dispatched prior to your voyage! It's that simple.

### Different Voyages & Activities for Different Ages

All voyages will be taking place on *Challenge Wales | Wales Tall Ship*.

**Are there any age limits?** Sailing on *Challenge Wales* is open to those aged 14-85 years and who are reasonably fit. Remember, particular sailing trips are highlighted for certain age groups. Some of our activities such as 'Sea and Tell' activities and shore-side activities are often available for younger ages too.

**Aged under 14 years?** On rare occasions we do sail with 13 year olds so please discuss this with us. BUT if you're under 14 you might be able to take part in our shore-side programme; Sea and Tell. We've sometimes had groups jump onboard from as young as 7 years old to take part in our shore-side programme.

**Aged between 14 – 25 years?** Ask your group leader or teacher to visit the Groups, Schools and Young People section on our website or request our brochure. In Wales, we offer Agored Cymru accreditation in Teamwork and Confidence for all those 14 and over. Don't worry if you're not in a group or school, individuals or home-schooled students aged 14+ can join as individuals on our 'Boat Camp' voyages and residentials as part of our open access voyages.

**Aged between 16 – 25 years?** You can join Challenge Wales as an individual (you come along on your own with others joining on their own) OR you can join us as a youth group. If joining on your own you can take part in some of our more challenging activities.

**Aged between 18 – 85 years?** Adult adventure voyages range from day sails to races to longer voyages exploring some spectacular places around the UK & overseas and gives you the opportunity to sail and have fun. If you're aged 18 – 25 years then you are still eligible for bursary funding and more opportunities are available as you will fall into our young person's programme AND our adult adventure programme. Meeting different people with different backgrounds, cultures and ages is all part of the Challenge Wales experience!

**Non-sailing shore-based 'Sea and Tell' Programme:** Sea and Tell activities are suited to most ages. Our structured Sea and Tell which can focus on STEM activities as well as ocean literacy are 3 hour bookable slots. They take place on the boat but DON'T involve sailing. Shorter one-hour 'Sea and Tell' sessions are suited for younger age ranges or those

who have limited attention. These are often bookable on request. A 3 hour session for up to 12 young people and 2 group leaders is £250.

**Challenge Experience Days** are day sails for adults to experience 72-foot *Challenge Wales* and just one of the opportunities for those eligible to be volunteer crew to have their skills assessed and use as their volunteering qualifying voyage however, school & youth groups can also book these days for young person's sail training activity on an exclusive use, first come-first serve basis. Challenge Experience Days are a hands-on opportunity to be fully involved in sailing – regardless of your ability.

## BURSARIES to help pay for your voyage

If you are keen to sail with Challenge Wales but cannot afford the voyage fees, a Challenge Wales bursary may help subsidise your place meaning that you will pay less than the advertised price to sail with us. [Anyone aged 12 - 25 years can apply for a bursary](#) from Challenge Wales for any of our sailing activities, whether as an individual or a group. Each bursary has its own criteria, and if one bursary isn't suitable another might be. Bursaries are not always guaranteed and are sometimes on a first come first serve basis. Bursaries can sometimes cover up to 40% of the voyage cost and sometimes more.

Our bursaries come with [Bursary Terms and Conditions which can be read here](#).

If you receive bursary funding you will need to write a short voyage report so that we can send that to the funders so they know how their funding has helped you, and been spent. **Further bursaries may be available or become available at short notice so if you are under 26 years please ask us about this.** *We like to make opportunities possible for those who see the opportunity and the benefits it can bring! But remember bursaries are there for those who can't afford it, if you don't need a bursary then you don't need to apply or you can use part of it and pay what you can afford.*

**There are a lot of voyages on your schedule, is there a better way to find what I am looking for?** The [SAILING page](#) on our website shows all the categories of voyages making it easy to choose!

## FAQ's
